Chairman's Letter

Dear Securityholders,

I am pleased to invite you to GPT's 2016 Annual General Meeting (AGM). The meeting will be held at the Swissôtel, 68 Market Street, Sydney NSW on Wednesday, 4 May 2016 at 2.00pm (Sydney time). The meeting will also be webcast live on www.gpt.com.au.

Enclosed is the Notice of Meeting and Explanatory Memorandum explaining the formal business of the meeting and enclosing the securityholder voting form. If you plan to attend the AGM, please bring this voting form with you as it contains a barcode to make your registration easier, as well as details of how to vote.

Securityholders may also use the voting form to appoint a proxy if they are unable to attend in person, or can lodge their proxy vote online at www.linkmarketservices.com.au (please see the following Notice of Meeting and securityholder voting form for more information).

In conjunction with this Notice of Meeting, GPT has also published its 2015 Annual Review as well as its 2015 Annual Financial Report for the financial year ended 31 December 2015. If you have elected to receive either report by post, a copy of it will accompany this Notice of Meeting. These reports are also available on the GPT website (www.gpt.com.au) and I encourage you to view them online.

The 2016 AGM will be Anne McDonald's last as a Non-Executive Director of the GPT Group. Anne will be retiring from the Board at the end of the AGM and I would like to take this opportunity to thank Anne for her dedicated service. The Board has greatly appreciated Anne's contribution since her appointment in August 2006, first for her specialist skills in audit and her significant contribution as Chair of the Audit and Risk Management Committee but more importantly for her common sense in broader board matters.

We are pleased to offer Ms Michelle Somerville for election to the Board as an independent Non-Executive Director. Ms Somerville brings significant accounting and audit capability and experience to the Board and her election is supported by all Directors. Together with Mr Brendan Crotty and Dr Eileen Doyle, I will also be standing for re-election to the Board as an independent Non-Executive Director.

The AGM will commence with a presentation from myself, followed by Bob Johnston, Chief Executive Officer and Managing Director. This will be followed by the formal items of business and there will be time for general questions.

You may also submit questions by using the form at the back of the Notice. Alternatively, please email these to the attention of GPT Investor Relations at ir@gpt.com.au (or post to Investor Relations, GPT Group, Level 51, 19 Martin Place, Sydney NSW 2000).

At the conclusion of the AGM, I invite you to join the Board and our Leadership Team for refreshments. I look forward to seeing as many of you as possible on the day.

Yours sincerely

Rob Ferguson
Chairman

Notes relating to voting

Explanatory Memorandum

The resolutions contained in this Notice of Meeting should be read in conjunction with the attached Explanatory Memorandum. The Explanatory Memorandum forms part of this Notice of Meeting.

Voting entitlement

The Directors have determined that for the purposes of determining voting entitlements at the Meeting, Stapled Securities will be taken to be held by persons who are registered as Securityholders at **7:00pm (Sydney time) on Monday, 2 May 2016**. Accordingly, security transfers registered after that time will be disregarded in determining entitlements to attend and vote at the Meeting.

How do you exercise your right to vote?

The vote on each resolution will be decided on a show of hands or a poll as determined by the Chairman subject to any requirements of the Corporations Act and the Constitutions of the Company and the Trust.

In a resolution of the Company or Trust determined by a show of hands, each Securityholder present in person or by proxy has one vote. If your Stapled Securities are jointly held, only one of the joint holders is entitled to vote on a show of hands (see below).

In a resolution of the Company determined by poll, each Securityholder present in person or by proxy has one vote for each fully paid ordinary Stapled Security held. On a poll, you need not exercise all of your votes in the same way, nor need you cast all of your votes.

In a resolution of the Trust determined by poll, each Securityholder present in person or by proxy has one vote for every dollar of the total interest they have. The value of a Securityholder's total interest in the Trust will be calculated by reference to the last sale price of the Stapled Securities on the ASX on **Tuesday, 3 May 2016**.

Jointly held Stapled Securities

If your Stapled Securities are jointly held, only one of the joint holders is entitled to vote. If more than one Securityholder votes in respect of jointly held Stapled Securities, only the vote of the Securityholder whose name appears first in the register will be counted.

Individuals

Where a Securityholder appoints an attorney to act on his or her behalf at the Meeting, such appointment must be made by a duly executed power of attorney. The power of attorney must be received by GPT's registry by **2:00pm (Sydney time) on Monday, 2 May 2016**, unless it has been previously provided.

If you plan to attend the Meeting, we ask that you arrive 30 minutes prior to the time designated for the Meeting so that we may check the value of your Stapled Securities against the register of Securityholders and note your attendance.

Corporations

Where a corporation that is a Securityholder appoints a person to act as its representative, the appointment must comply with sections 250D (for the meeting of the Company) and 253B (for the meeting of the Trust) of the Corporations Act. The appointment must be received by GPT's registry by **2:00pm (Sydney time) on Monday, 2 May 2016**. Alternatively, the representative must bring to the Meeting satisfactory evidence of his or her appointment, including any authority under which it was signed.

Voting by proxy

If you cannot or do not wish to attend the Meeting, you may appoint a proxy to attend and vote for you. The proxy does not need to be a Securityholder. If you appoint two proxies, you may specify the proportion or number of votes that each proxy is entitled to exercise. If you do not, each will be entitled to vote half of your votes. Where more than one proxy is appointed, neither proxy is entitled to vote on a show of hands.

A Proxy Form must be signed by the Securityholder or their attorney or, in the case of a corporation, executed in accordance with section 127 of the Corporations Act or signed by an authorised officer or attorney. If the Proxy Form is signed by an attorney or by an authorised officer of a corporation, the power of attorney or other authority must accompany the Proxy Form unless it has previously been provided to GPT. If the Proxy Form is sent by fax, any accompanying power of attorney or other authority must be certified.

Where a Securityholder appoints a body corporate as proxy, that body corporate will need to ensure that:

- it appoints an individual as its corporate representative to exercise its powers at the Meeting, in accordance with section 250D (for the meeting of the Company) and 253B (for the meeting of the Trust) of the Corporations Act; and
- the instrument appointing the corporate representative is received by GPT's registry by **2:00pm (Sydney time) on Monday, 2 May 2016**. Alternatively, the representative must bring to the Meeting satisfactory evidence of his or her appointment, including any authority under which it was signed.

Proxy Forms should be completed and returned by no later than **2:00pm (Sydney time) on Monday, 2 May 2016**.

To ensure that all Securityholders can exercise their right to vote on the resolutions, a Proxy Form is enclosed together with a reply paid envelope. You can lodge the Proxy Form by sending it in the reply paid envelope or otherwise posting, delivering or faxing it to:

Or

You can also lodge your Proxy Form online at www.linkmarketservices.com.au or by mobile device (see the Proxy Form for further instructions).

If you wish to indicate how your proxy should vote, please mark the appropriate boxes on the Proxy Form.

If in respect of any of the items of business you do not direct

your proxy how to vote, you are authorising your proxy to vote as they decide, subject to any applicable voting exclusions. If you mark the abstain box for a particular item you are directing your proxy not to vote on your behalf and your Stapled Securities will not be counted in computing the required majority on a poll. Please refer to the Proxy Form for further instructions.

The Chairman of the Meeting is deemed to be appointed where a signed Proxy Form is returned which does not contain the name of a proxy. In addition, if you direct your proxy how to vote and your nominated proxy does not attend, or attends but does not vote, on a poll on a resolution, the Chairman of the Meeting will act in place of the nominated proxy and vote in accordance with any instructions.

For all resolutions that are directly or indirectly related to the remuneration of a member of the KMP (being Resolutions 5, 6, 7 and 8 of this Notice of Meeting), the Corporations Act prohibits KMP (other than the Chairman) and their closely related parties from voting as your proxy unless you direct them how to vote. 'Closely related party' is defined in the Corporations Act and includes a spouse, dependent and certain other close family members, as well as any companies controlled by the KMP.

If the Chairman of the Meeting is your proxy, you can direct the Chairman of the Meeting to vote for or against, or to abstain from voting on a resolution by marking the appropriate box opposite the relevant item on the Proxy Form. However, if the Chairman of the Meeting is your proxy and you do not mark any of the boxes opposite Resolutions 5, 6, 7 or 8, then by signing and returning the Proxy Form you will be expressly authorising the Chairman to vote as he sees fit in respect of the relevant resolution even though it is connected with the remuneration of GPT's KMP.

The Chairman intends to vote available undirected proxies in favour of all resolutions.

If you have any questions or would like a copy of the Company or Trust Constitutions, please contact the GPT Securityholder Service Centre on 1800 025 095 (free call within Australia) or +61 1800 025 095 (outside Australia), between 8am and 5pm (Sydney time) Monday to Friday.

In accordance with section 250R(2) of the Corporations Act, the Board is presenting GPT's Remuneration Report for the year ended 31 December 2015 to Securityholders for consideration and adoption by a non-binding vote.

The Remuneration Report commences on page 12 of GPT's Annual Financial Report. In accordance with the Corporations Act, the Remuneration Report:

- describes the policies behind, and the structure of, the remuneration arrangements of GPT and the link between the remuneration of employees and GPT's performance; and
- sets out the remuneration arrangements in place for each Director and those members of the senior management team with authority and responsibility for planning, directing and controlling the activities of GPT.

An opportunity will be provided for discussion of the Remuneration Report at the Meeting.

The Securityholder vote on the Remuneration Report is advisory only and does not bind the Directors, the Company or the Responsible Entity. However, the Directors will take into account the outcome of the vote when considering the future remuneration arrangements of GPT.

Voting exclusion

A voting exclusion applies to this resolution as set out in the Notice of Meeting under the heading 'Voting Exclusions'.

Recommendation

The Directors unanimously recommend that Securityholders vote in favour of Resolution 5.

Other Business

Resolution 6 – Grant of Performance Rights to Robert Johnston (2015 deferred short term incentive)

Consistent with contemporary remuneration governance expectations and to further align the interests of GPT senior executives with those of Securityholders, it is intended that Mr Johnston's 2015 Short Term Incentive Compensation (STIC) award will be delivered 50% in cash and 50% in the form of performance rights (Rights) granted under the GPT Group Stapled Security Rights Plan (Plan).

While GPT ordinarily seeks Securityholder approval for the Chief Executive Officer and Managing Director's deferred short term incentive at the AGM held during the STIC performance year, as Mr Johnston only commenced employment in September 2015, this is the first opportunity for GPT to seek Securityholder approval for the deferred component of his 2015 STIC award. Accordingly, Resolution 6 relates to his 2015 deferred STIC award pro rated for the portion of the year which he was Chief Executive Officer and Managing Director, while Resolution 7 relates to his current 2016 STIC award.

In accordance with ASX Listing Rule 10.14, GPT is seeking the approval of Securityholders for the proposed grant of Rights to Mr Johnston on the terms set out below.

Terms and conditions

If Securityholder approval is obtained, the Rights will be granted:

- as part of Mr Johnston's STIC remuneration for 2015;
- under the terms of the Plan; and
- at no cost to Mr Johnston. No amount is payable on conversion of the Rights to Stapled Securities if performance conditions are met or when Stapled Securities vest.

Each Right is a conditional entitlement to one fully paid Stapled Security in GPT that will rank equally with those traded on the ASX. The Stapled Securities will be subject to the further conditions outlined below. Rights do not carry any dividend or voting rights until they are converted into Stapled Securities.

The number of Rights to be granted to Mr Johnston under the deferred STIC arrangements for the 2015 year, will be 50% of his STIC award for 2015 as determined by the Nomination and Remuneration Committee, being \$176,500, divided by GPT's quarter 3, 2015 volume weighted average price (VWAP) of \$4.4465, giving, on a rounded basis, 39,694

Rights. The other 50% of Mr Johnston's STIC award for 2015 was delivered in cash in March 2016 with GPT's annual STIC payment cycle.

Operation of deferred STIC

Subject to securityholder approval, the 39,694 Rights will be granted following the AGM and will convert to GPT securities as soon as practicable after grant, as the Nomination and Remuneration Committee has determined that the performance indicators applicable to Mr Johnston's STIC award for 2015 have been met. These performance conditions were based on a balanced scorecard of financial and non-financial measures. The conditions and achievement against them are outlined on page 16 of the Remuneration Report for the financial year ended 31 December 2015.

The Stapled Securities will be held on trust for an additional period (Deferral Period) until they vest, as outlined below:

- 50% of the Stapled Securities will vest on 31 December 2016; and
- 50% of the Stapled Securities will vest on 31 December 2017.

The Stapled Securities may be issued or sourced on or off market.

Because the performance conditions attaching to Mr Johnston's STIC award for 2015 have been met as a pre-condition to the conversion of his Rights into Stapled Securities, Mr Johnston will be able to direct the trustee how to vote in respect of the Stapled Securities held on his behalf and will also be entitled to distributions paid during the relevant Deferral Period.

Following vesting of the Stapled Securities, any dealing will be subject to GPT's Personal Dealing Policy. In addition, Mr Johnston is required to comply with the Group's Minimum Security Holding Policy when dealing in Stapled Securities.

Treatment of Rights and unvested Stapled Securities on cessation of employment

The Rights to be granted under Resolution 6 relate to Mr Johnston's performance in the portion of calendar year 2015 in which he was employed. If Mr Johnston ceases employment voluntarily prior to the end of the relevant Deferral Period, then the remaining unvested tranche(s) will be forfeited.

Change of control

If a change of control of GPT occurs, for example by way of a takeover or scheme of arrangement, the Board may determine that some or all:

- Rights will convert into Stapled Securities or lapse; or
- unvested Stapled Securities granted to Mr Johnston will vest,

having regard to all relevant circumstances.

Other information required by the ASX Listing Rules

In relation to the Plan:

- Mr Johnston is the only Director entitled to participate in the Plan.
- There is no loan scheme in relation to the Rights.
- Since the last approval at the 2014 AGM, 571 894¹ Rights have been issued under the Plan to Mr Johnston as part of Mr Johnston's appointment as Chief Executive Officer and Managing Director in September 2015. The Rights were granted at no cost to Mr Johnston, and no amount is payable on vesting of the Rights. The resolutions to be put to Securityholders at the 2015 AGM in relation to the grant of performance rights to Mr Michael Cameron (the previous Chief Executive Officer and Managing Director) were withdrawn prior to the 2015 AGM.
- Under ASX Listing Rule 7.1, a listed entity has the ability to issue 15% of its issued capital without securityholder approval in a 12 month period. When an entity issues or agrees to issue securities under ASX Listing Rule 7.1 without securityholder approval, that issue or agreement to issue uses up part of the 15% capacity available under that rule. However, if approval is given by Securityholders under ASX Listing Rule 10.14, approval will not be required under ASX Listing Rule 7.1. This means that the Rights granted to Mr Johnston and any Stapled Securities issued pursuant to this approval will not use up part of the 15% capacity under ASX Listing Rule 7.1.

If approval is received, it is the intention of the Board that the Rights will be granted to Mr Johnston as soon as is practicable following the Meeting, but in any event, no later than 12 months after the date of the Meeting. If approval is not received, Mr Johnston's 2015 STIC award will be paid wholly in cash.

Voting exclusion

A voting exclusion applies to this resolution, as set out in the Notice of Meeting under the heading 'Voting Exclusions'.

Recommendation

The Directors (other than Mr Johnston) unanimously recommend that Securityholders vote in favour of Resolution 6.

Resolution 7 – Grant of performance rights to the Company's Chief Executive Officer and Managing Director, Robert Johnston (2016 deferred short term incentive)

It is intended that Mr Johnston's 2016 STIC award will be delivered 50% in cash and 50% in the form of Rights granted under the Plan.

In accordance with ASX Listing Rule 10.14, GPT is seeking the approval of Securityholders for the proposed grant of Rights to Mr Johnston on the terms set out below.

Terms and Conditions

If Securityholder approval is obtained the same terms and conditions will apply as set out in the explanatory note to Resolution 6.

The number of Rights to be granted to Mr Johnston under the deferred STIC arrangements for 2016 will be 50% of his stretch STIC opportunity for 2016 (being \$875,000), divided by GPT's quarter 4, 2015 VWAP of \$4.6640, giving, on a rounded basis, 187,607 Rights. The other 50% of Mr Johnston's STIC opportunity will be delivered in cash (to the extent the relevant conditions are met).

Operation of deferred STIC

The Rights will be granted subject to the achievement of the Key Performance Indicators (KPIs) applicable to Mr Johnston's STIC award for 2016. The KPIs will be tested in early 2017 after the end of the STIC performance year. Performance against the KPIs will be assessed by the Nomination and Remuneration Committee, which will determine the number of Rights that will convert into Stapled Securities. Any Rights that are not converted will lapse.

The KPIs will be based on a balanced scorecard of financial and non-financial measures. The specific targets for Mr Johnston for 2016 are strategic and confidential at the date of the 2016 AGM because they relate to the current financial year. However, GPT will report on the KPIs and achievement against them in the Remuneration Report for the financial year ended 31 December 2016.

Following performance testing and the allocation of the requisite number of Stapled Securities, the Stapled Securities will be held on trust until they vest on 31 December 2017.

The Stapled Securities may be issued or sourced on or off market.

Because the performance conditions attaching to Mr Johnston's STIC award will have been met as a pre-condition to the conversion of his Rights into Stapled Securities, Mr Johnston will be able to direct the trustee how to vote in respect of the Stapled Securities held on his behalf and will also be entitled to distributions paid during the relevant Deferral Period.

Treatment of Rights and unvested Stapled Securities on cessation of employment

If Mr Johnston ceases employment for any reason on or before 30 September 2016, his Rights will lapse.

If Mr Johnston's employment is terminated for cause after 30 September 2016, unvested Rights and Stapled Securities that remain subject to deferral will lapse or be forfeited.

If Mr Johnston's employment is terminated for any other reason after 30 September 2016, subject to the Board's discretion to determine otherwise:

- Rights will continue beyond cessation of employment and will vest or lapse depending on whether the performance conditions are achieved; and
- unvested Stapled Securities will continue beyond cessation of employment and will vest or be forfeited subject to their terms.

1. Being the sum of 116,279 performance rights as the first sign-on grant, 25,139 performance rights as the second sign-on grant, and 430,467 performance rights as his 2015-2017 long term incentive award.

Change of control

Details regarding change of control are set out in the explanatory note to Resolution 6.

Other information required by the ASX Listing Rules

In relation to the Plan:

- Mr Johnston is the only Director entitled to participate in the Plan.
- There is no loan scheme in relation to the Rights.
- Details regarding the Rights that have been issued to Mr Johnston under the Plan since the last approval at the 2014 AGM are set out in the explanatory note to Resolution 6.
- If approval is given by Securityholders under ASX Listing Rule 10.14, approval will not be required under ASX Listing Rule 7.1. See the explanatory note to Resolution 6 for further details.

If approval is received, it is the intention of the Board that the Rights will be granted to Mr Johnston as soon as is practicable following the Meeting, but in any event, no later than 12 months after the date of the Meeting. If approval is not received, Mr Johnston's 2016 STIC award will be paid wholly in cash subject to the Nomination and Remuneration Committee's assessment of his performance against his 2016 KPIs.

Voting exclusion

A voting exclusion applies to this resolution, as set out in the Notice of Meeting under the heading 'Voting Exclusions'.

Recommendation

The Directors (other than Mr Johnston) unanimously recommend that Securityholders vote in favour of Resolution 7.

Resolution 8 – Grant of Performance Rights to Robert Johnston (long term incentive)

In accordance with ASX Listing Rule 10.14, GPT is seeking the approval of Securityholders for the proposed grant of Rights to Mr Johnston on the terms set out below.

Terms and conditions

If Securityholder approval is obtained, the Rights will be granted:

- as part of Mr Johnston's long term incentive (LTI) remuneration;
- under the terms of the Plan; and
- at no cost to Mr Johnston, and no amount is payable on vesting of the Rights if performance conditions are met.

Each Right is a conditional entitlement to one fully paid Stapled Security in GPT that will rank equally with those traded on the ASX. Rights do not carry any dividend or voting rights until they vest.

The number of Rights to be granted to Mr Johnston will be equivalent to his stretch LTI opportunity for 2016 of \$2,100,000, divided by GPT's quarter 4, 2015 VWAP of \$4.6640, giving, on a rounded basis, 450,257 Rights.

Performance measures

The Board has determined that the Rights to be granted to Mr Johnston (if approval is received) will be subject to two performance conditions, outlined below. These performance conditions will be assessed over a three year performance period starting on 1 January 2016 and ending on 31 December 2018 (**Performance Period**).

Each performance measure will be tested against one half of the Rights to be granted to Mr Johnston under this resolution.

- **Total Return (TR)** – This measure will be calculated annually during the Performance Period as the sum of the change in Net Tangible Assets (NTA) plus distributions each year, divided by the NTA at the beginning of the year. The annual results will then be used to calculate the time weighted compound TR for the three year Performance Period, and it is this result that will be compared against the TR range to determine a vesting outcome.

For the 2016 grant, the TR Range is between 8% and 9.5%. Vesting will be determined on a sliding scale, with 0% vesting at 8% TR and 100% vesting at 9.5% TR. Between these points, the level of vesting will be calculated on a straight-line basis.

- **Relative Total Shareholder Return (TSR)** – This measure compares GPT's TSR performance with the TSR performance of the ASX 200 A-REIT Accumulation Index (the **Index**), including GPT, over the Performance Period. TSR represents an investor's return, calculated as the percentage difference between the initial amount invested in Stapled Securities and the final value of those Stapled Securities at the end of the relevant period, assuming distributions were reinvested, or such other method of calculation as determined by the Board.

Vesting will occur as follows:

	Relative performance of GPT's TSR against the Index	Percent vesting of TSR hurdled performance rights
	Below Index performance	No vesting
Threshold	Index performance	10% vesting
Maximum	Index performance plus 10% over the three year period	100% vesting
	Between Threshold and Maximum	Pro-rata straight line vesting between 10% and 100%.

Taken together, these performance measures create an LTI scheme that is aligned to GPT's strategy to deliver sustained, superior returns in the following manner:

- The TR measure assesses total returns from real estate over the long term. It will focus on ensuring that GPT's portfolio is adding value from both an investment and an income perspective.

- Relative TSR performance measures GPT's ability to deliver superior securityholder returns relative to its peers and competitors in the A-REIT sector.

There will be no re-testing of performance at the end of the Performance Period for any grants made under this resolution. If performance conditions are not met, the Rights will lapse.

Trading of securities once vested

At Mr Johnston's option, Stapled Securities allocated upon vesting of the Rights will be subject to a trading restriction for up to seven years from the date the Rights are granted. The restriction on vested Stapled Securities will be lifted upon earlier cessation of employment. In addition the Board may lift this restriction on trading upon application in exceptional circumstances. Any dealing in Stapled Securities will be subject to GPT's Personal Dealing Policy.

In addition, Mr Johnston is required to comply with the Group's Minimum Security Holding Policy when dealing in Stapled Securities.

Treatment of Rights on cessation of employment

Unvested Rights will lapse if Mr Johnston's employment is terminated for cause. If Mr Johnston's employment ceases for any other reason, some or all unvested Rights may continue beyond cessation of employment and will vest or lapse depending on whether the performance conditions are achieved, subject to the Board's discretion to determine otherwise.

Change of control

If a change of control of GPT occurs, for example by way of a takeover or scheme of arrangement, the Board may determine that some or all Rights granted to Mr Johnston will vest, having regard to relevant individual and company performance indicators.

Other information required by the ASX Listing Rules

- There is no loan scheme in relation to the Rights.
- Details regarding the Rights that have been issued to Mr Johnston under the Plan since the last approval at the 2014 AGM are set out in the explanatory note to Resolution 6.
- If approval is given by Securityholders under ASX Listing Rule 10.14, approval will not be required under ASX Listing Rule 7.1. See the explanatory note to Resolution 6 for further details.

If approval is received, it is the intention of the Board that the Rights will be granted to Mr Johnston as soon as is practicable following the Meeting, but in any event, no later than 12 months after the date of the Meeting.
